DOODLES

We incorporate doodles into our brand elements to infuse a sense of creativity and approachability into our technical and professional identity. These hand-drawn illustrations add a human touch to our visual communications, making our brand more relatable and engaging.

PATTERN

The Greppix pattern features a repeating sequence of 1s and 0s, symbolizing our deep-rooted connection to binary code and the digital world.

USAGE

Example applications demonstrate the practical use of Greppix's logo elements infused with vibrant colors, doodles, and real people engaging with Greppix solutions. Each scenario highlights our commitment to combining creative design with technological excellence, ultimately showcasing the tangible impact of Greppix solutions in real-world settings.
