Color palette

Color palette

This color scheme was chosen because it is a strong color combination, where **blue** symbolizes **individuality, independence, technology and creativity**, and **orange** complements and symbolizes **energy, youth, friendliness and confidence**. These colors are perfect for a company in the field of IT.

Mark construction

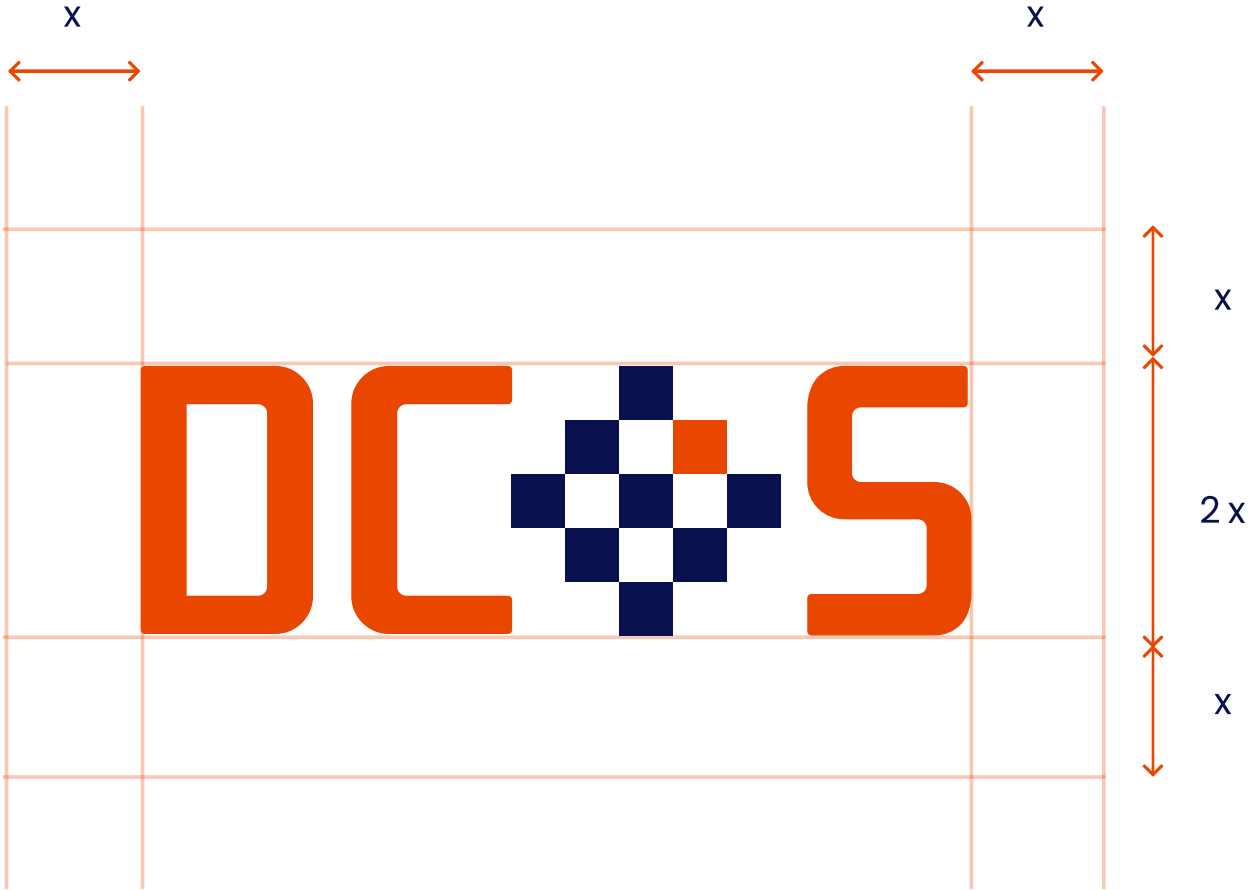

The shape of this logo fits perfectly into both a circle and a square. It can be used both in the full version with a description, and without.

Thumbnail mark

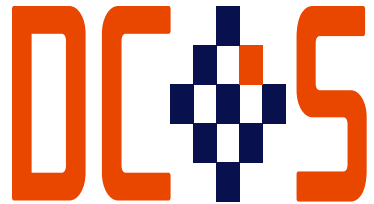

Safe zone

Incorrect uses

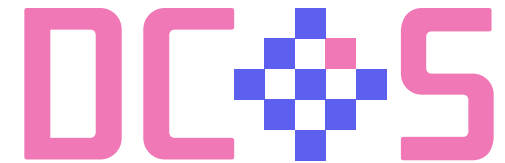

✗ Do not alter the proportion

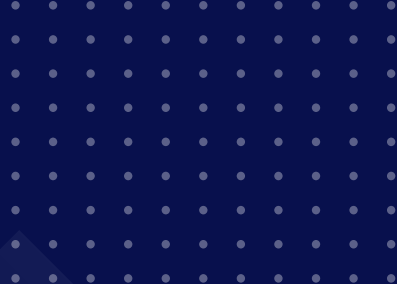

✗ Don't change the angle

✗ Don't change colors

14

Typography

Main font

Poppins

The **Poppins** typeface fits perfectly with almost any font which is particularly useful in today's diverse content sphere. A wide structure makes the font easy to read in small sizes — this is very important for the mobile first generation Z.
